### NINJA WOLF PACK CLASS

This class is for students who are between the ages of **5 years and 9 years old**. The class aim is for the kids to learn while having fun. The Ninja Wolf Pack program is centred on building the child's focussing skills which will help improve the student's concentration at school. Self-defence for this group is all about what is real for them, such as stranger danger and bullies in the playground. It will also help build their tolerance to everyday challenges and improve self esteem.

### ADVANCED NINJA WOLF PACK CLASS

This class is for students who are between the ages of **7 years and 9 years old**. This class is for blue belts and above grades. The class is structured around the younger serious martial arts skill acquisition and behavioural development needs. Like the Ninja Wolf Pack, the self-defence is centred on what is real for them, such as stranger danger and school bullies. The structured side of this class will improve the student's concentration at school and help them build tolerance to everyday challenges.

### COMMANDO WOLVES CLASS

This class is for students who are between the ages of **9 years and 13 years old**. This class is structured around the primary school age child's attention needs. The focus of this class is structured around challenging the child physically and encouraging a positive psychological attitude. Self-defence for this group is all about what is real for them, such as stranger danger and school bullies. As well as beginning to learn the basic skills of positive conflict management.

### FAMILY CLASS

This class is for **teenagers, adults and all family members**. This class is designed to teach the fundamentals of Taekwondo, consisting of: warm up and stretching; traditional Taekwondo pattern work and techniques; self-defence and Taekwondo sparring. Improvement of fitness and self-defence skills will be the main advantages of participating in this class. This class is fun and exciting, and offers challenges both physical and mental in a supportive family environment.

### ADVANCED CLASS

This class is for **teenagers and adults only**. This class is for blue belts and above grades. The Advance classes offer a variety of martial arts techniques. The class consists of: advanced traditional Taekwondo techniques; streetwise self-defence techniques; challenging sport programs; vital point knowledge; board breaking development; strength and speed development. This class addresses the more serious teenager and adult self-defence situations.

### SPORTS CLASS

This class is for students **9 years or older**. This class offers specific training for the student who wishes to train or compete in Sports Taekwondo. The training is high-energy, and is considered the most physically challenging class Wolves Taekwondo offers. The class is only open for students who qualify at gradings. All students must have full protective equipment. Students must approach Master Andrew before training in this program.

### HAIDONG GUMDO CLASS

This class is for students who are **9 years and over. All beginners are welcome**. Haidong Gumdo is an elegant and powerful ancient Korean Sword Martial Art (Gum – Sword, Do – The Way). It is more physically demanding than it looks. Haidong (The Light of the East) builds great physical, mental and emotional strength. The Samurai of Japan are direct descendants of the Samu Rang of Kokuryo (Goguryo).
